**Director of Graduate Institute of Toxicology,
National Taiwan University College of Medicine**

The Graduate Institute of Toxicology at National Taiwan University College of Medicine was founded in 1990 with the primary goals of cultivating proficient toxicology professionals for academia, industry, and governmental institutions. Additionally, the institute is dedicated to advancing toxicological education, research, and services, contributing to the enhancement of public health.

The Institute is currently in search of a highly qualified individual with strong academic credentials and outstanding leadership skills to assume the role of the new director, commencing on August 1, 2024.

1. The ideal candidate should possess

- (1). a Ph.D. degree in the fields of biomedical sciences
- (2). a tenured faculty or researcher position with expertise in toxicology and related areas.

2. Interested applicants should submit

- (1). curriculum vitae and three representative publications within the last five years
- (2). two recommendation letters
- (3). a statement outlining the vision for future teaching, research, and professional development at the Graduate Institute of Toxicology.

3. Application Deadline: May 6, 2024

4. Mailing address for Application materials

Director Recruitment Committee at the Graduate Institute of Toxicology,
College of Medicine, National Taiwan University.
No. 1, Jen-Ai Road, First Section, Taipei 100, Taiwan
