3. 未來研究計畫書一份。
4. 完整著作目錄一份（依發表年份排列）。
5. 代表性著作 1~4 篇（PDF 檔）。

收件信箱：biochem@ntu.edu.tw（請勿郵寄紙本）

截止日期：115 年 3 月 6 日（星期五） 5 pm 前將申請資料寄達

聯絡人：劉助教

聯絡電話：(02) 2312-3456 分機 288227; 傳真：(02) 23915295

Faculty Positions

Institute of Biochemistry and Molecular Biology
National Taiwan University College of Medicine

The Institute of Biochemistry and Molecular Biology at the National Taiwan University College of Medicine (Taipei, Taiwan) invites applications for a tenure-track faculty position at the rank of Assistant Professor or higher.

Qualifications

Applicants should meet the following criteria:

- Ph.D. in biochemistry, molecular biology, or a closely related field
- At least one year of postdoctoral research experience
- Demonstrated research achievements or strong potential for research excellence
- Ability to establish an independent, internationally competitive research program
- Commitment to high-quality teaching and mentorship

Application Materials

Interested candidates should submit the following documents:

1. Curriculum Vitae, including:

Education history

Teaching and research experience

Honors and awards

Statement of research achievements

Date of birth

Copies of academic degree certificates and employment/experience certificates

2. Recommendation Letters

Two or more letters from referees at the rank of Assistant Professor or above

Referees should send their letters directly to the contact e-mail address below before the application deadline

3. Research Proposal(s)

Outline of future research plans

4. Publication List

Complete list of publications in chronological order

5. Representative Publications

PDF files of one to four representative papers

We warmly welcome highly motivated researchers to join our vibrant academic community at the National Taiwan University College of Medicine.

Application Deadline: March 6, 2026

Submission:

All application materials should be sent via e-mail to: biochem@ntu.edu.tw

(No hard copies are required.)
